Hey friend,

Do you find yourself repeatedly saying, 'I need more money'?

Do you have any idea how to make PayPal money? Well, we are here to help you.

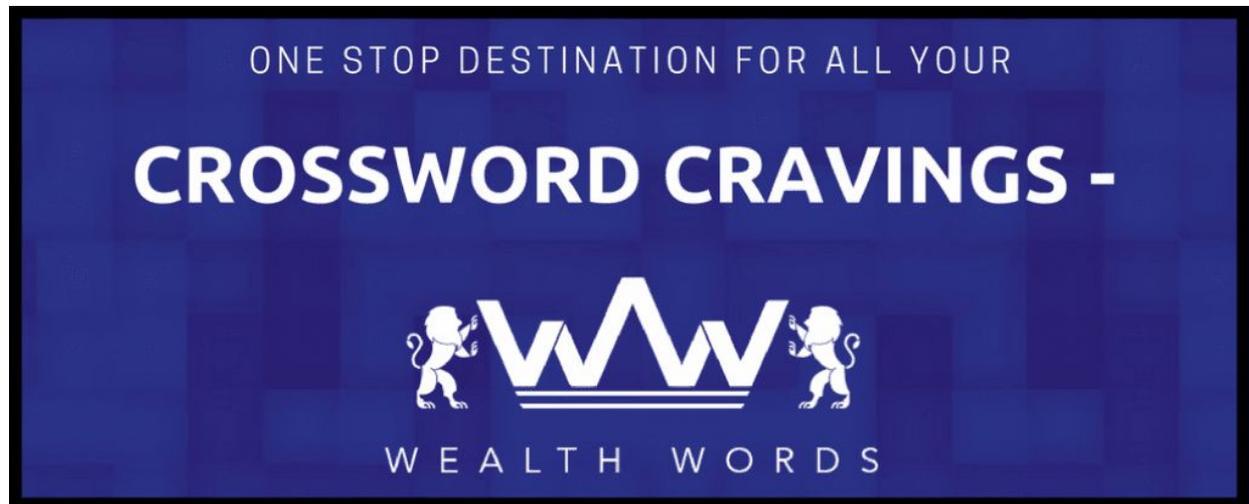

Having more than 250 million accounts worldwide, PayPal is one of the most popular payment platforms across the globe. And it is not difficult to figure out why.

With the option of quick payment processing, simple to use interface, and ubiquitous nature, it proves to be the best payment platform for the individuals planning to make extra money online.

PayPal is also a preferred payment method for many online side hustles.

**So, if you are willing to have fast cash in your PayPal account, here are the sites that pay:**

## **1) Wealth Words**

Do you want to earn money by playing games?

Nice idea, right. Wealth Words is a platform having plenty of **best crosswords** that make you win real cash reward when you win the game.

**Solve online crossword game**, and you can get free \$1000 via PayPal.

## 2) Shop with Ebates

Has anyone ever paid you free PayPal money for signing up with them?

It is one of the easiest ways to make money via PayPal because it requires minimal effort.

It is estimated that over half of the retail purchases are done online. Ebates is the best.

There are more than 2000 featured stores, and you can get cashback up to 40%.

Find coupons, discount deals, and offers. And afterward can earn cashback on the purchases you made while shopping.

You get the money via PayPal or check.

**Get free money now by playing this game without investment.**

### **1) Opinion Outpost**

This site rewards you with cash as you share your views and fill online surveys.

What is the unique thing about this online survey program is that everyday \$40,000 is given out to members?

And yes, the payment is directly sent straight to the PayPal account.

## 2) Watch2Earn

Watch2Earn helps you watch videos and get paid from home.

You earn points after watching and these points can be redeemed later for money from your PayPal account.

The app claims that it offers \$1 to \$100 a day watching videos.

## 3) Receipt Hog

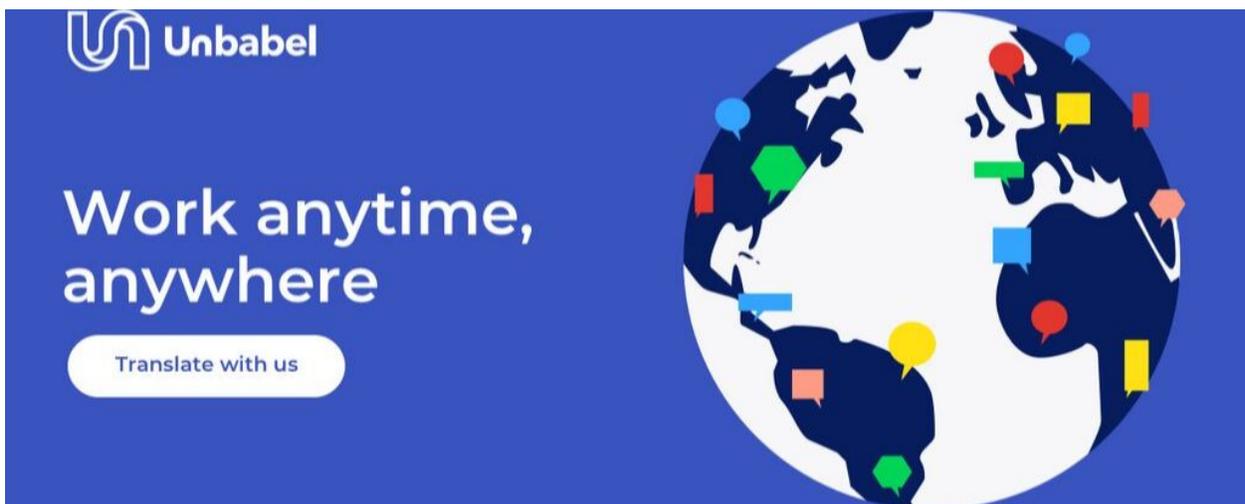

This one is another cashback program that pays you with PayPal cash after your redemption of the coins that you have earned while shopping.

You can shop at any store and buy anything that you want.

Click a picture of your receipt and submit it to Receipt Hog. Submissions will help you earn coins.

Exchange bonus coins for gift cards, magazine subscription or PayPal cash.

#### 4) Unbabel

Unbabel helps you get money for free. It gives you the opportunity to earn money while translating in a variety of languages like German, English, and French.

You earn every hour, and the payment is sent to the PayPal account.

How much you earn completely depends on various factors, like skills and speed in which you translate.

## **5) Quicktate**

Record letters, phone calls, memos, conference calls, medical files and various files at Quicktate.

You work as an independent contractor, and this gives you flexibility especially when it comes to working hours.

Get free money as you avail 1 cent for every four words via PayPal.

## **6) Scribendi**

Look for telecommuting positions as a proof-reader.

You should be eligible for proofreading, i.e. either have relevant qualifications like a university degree or three years of experience in writing, editing, document production or language teaching.

### **Wrapping up**

Today, you have finally discovered new ways to earn money fast.

So, if you were looking for ways to ***make money for PayPal***, give one of the aforementioned a try.
